EXPERIENCE

Ebook Development Intern

May 2025 – July 2025

IMS-BHU

[Link](#)

Built and deployed an interactive Statistics eBook using Quarto and GitHub Pages, delivering structured chapters with visual explanations to simplify complex statistical concepts.

Implemented CI/CD pipelines and version control via GitHub, enabling real-time updates, global accessibility, and seamless collaborative contributions.

Demonstrated full deployment lifecycle skills while producing scalable, user-friendly digital learning resources accessible worldwide.

PROJECTS

TeamsMMG | *Node.js, MongoDB, JavaScript, Tailwind CSS* | [teamsmmg.online](#)

2024

– A full service digital growth agency specializing in web development, mobile apps, UI/UX design, e-commerce, SEO, digital marketing, and hosting.

– Developed tailored solutions such as booking systems, chat integrations, and admin dashboards, reducing manual operations by 30% for clients.

– Designed and integrated an interactive Website Pricing Calculator, enabling instant quotes for clients with dynamic selections like website type, domain, features, and hosting capacities .

PARKING APPLICATION | *Flask, SQLite, Redis, Celery, SQLAlchemy, JWT Authentication* | [Live](#)

2025

– Implemented role-based access control for 2 user types (Admin Users), ensuring secure authentication with JWT tokens and reducing unauthorized access to 0%.

– Optimized system speed by 40% through Redis caching for real-time spot availability, supporting instant booking for 100+ concurrent users.

– Structured the system with 5 microservices (Authentication, Parking Management, Booking, Notification, Reporting) for scalability and modular growth.

Stranger Application | *Node.js, Express.js, Vercel, JWT, Cloundinary* | [strangers-app](#)

2025

– Developed “Skip” and “Chat” buttons, allowing users to switch partners instantly boosting average user retention by 30% in testing phases.

– Created responsive UI components, achieving 90% mobile compatibility, leading to a 50% increase in mobile user engagement.

LEADERSHIP & ACHIEVEMENTS

Co-Founder of TeamsMMG.online- Leading an innovative digital solutions platform. 2024-present

Leadership- Technical Secretary of Hostel Management committee, SVNIT

Certificate- Diploma in Programming, IIT MADRAS 2024
